New at the Instructional Media Center

For all LIU Post Education Students and Faculty.

The Instructional Media Center is pleased to announce a subscription to Britannica School. This award winning software gives new and effective ways to differentiate instruction and learning. The content of Britannica School is reliable, age-appropriate, updated continuously and closely correlated to all curriculum standards, including the new Common Core State Standards. Its advanced interactive features are easy to access anytime, anywhere, and on any device.

- Trusted Content Aligned to the Common Core and State Standards
- Support for Differentiated Instruction Across All Subjects and Grade Levels
- Interactivity with a Clear Instructional Purpose
- Universal Access... Use It Anytime, Anywhere, and on Any Device
- Comprehensive Support... Lesson Plans, Professional Development, and More!
